## THEOPHILI GE Budhandlers in Leipzig, GEORGI

Mugemeines

## Surophisches

## LEXICON

nach Ordnung des Dictionarii

die allermeisen Autores oder Gattungen von Büchern tu finben,

Melde sowohl von denen Patribus, Theologis derer dreven Chriftlichen Saupt - Religionen, und darinnen fich befindlichen Sectirern;

von benen Juris-Confultis, Medicis, Phylicis, Philologis, Philolog phis, Historicis, Geographis, Criticis, Chymicis, Musicis, Arithmeticis, Mathematicis, Chirurgis, und Autoribus Classicis, &c. &c. nech ver dem ange des XVI. Seculi bis 1739. inclusive, und alfe in nicht als gwenbundert Jahren, in dem Europaifden Theile der Welt, fonderlich aber in Teunschland, find geschrieben und gebrucket worben.

Ben iedem Buche find zu finden die unterschiedenen Editiones.

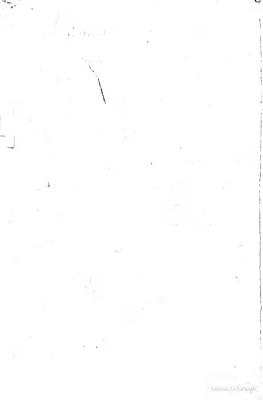

bie Jahr: Bahl, bas Format, ber Drt, ber Berleger, bie Ungahl ber Bogen und ber Preif.

Unfänglich von dem Autorenur gur Privat - Notitz gufammen getragen, Rummehro aber auf vieler inftandiges Berlangen jum Drud befordert,

> in Bier Theile abgetheilet.

Leipzig,

## Un den geneigten Lefer.

Ber tritt enblid mein langf verfprodenes Europäifches Bucher Lexi-Den fo langen Bergug beffelben bat nichts verurfachet, als der Manael, der dazu benothiat aenbefenen aroffen und foweren Unfoften ; Indeffen hat es feinen groffern Schaben erlitten, als bag es um viele taufend Stud Bucher vermehret worben ift. Mein Borfat iff gwar niemable babin gegangen, foldes in Drud heraus ju geben; fonbern, als ich ben meinen Behr Sahren auf bem Buchhandel, einen giemliden Abgang an bem Bebachtniffe ben mir verfpubrte, war ich nur bebacht, burch Mufgeidnung ber Bucher mir Dulffe ju fcaffen. Beil nun bie Ungahl ber Autorum und Bucher biefe 54. Jahr über fo merdlich angewachfen, und ben beffelben Erfebung, fo mobi von benen Derren Beiehrten, ale von benen Berren Budbanblern febr viele neue groffe Begierbe , foldes zu befigen bezeigten, emichloß ich mich fcon vor 8. Jahren, foldes burd ben Drud mitaubeilen. Es beläufft fic nunmebro biefe meine Sammlung hum wenigsten auf ein hundert und etliche awannig taufend Stud Buder, babero aud ber Berleger foldes (ben erften Unichlag nad, welchen man mit Cicero nur auf gwolff Alphabeth gerechnet hatte.) um ben erft gefesten Preif, ohne beffen groften Schaben und Einbuffe nicht verlaffen tonnte, allermaffen es, wie vor Augen liegt, mit biefer fleinen Corpus-Schrifft auf 16, und ein halb Alphabeth angewachen ift, bag fich bemnach niemand über ben iegt gefesten Preif von 8. Thir. ju befcomeren haben wird, jumablen wenn er die fcomere Arbeit an bemfelbigen in Betrachtung giebet. Db daffelbige ohne Bebler ericheinet, bavon muß ich einiger maffen faft meiffeln, indem es ben dergleichen Sammlung wohl eine Unmbanichteit zu fenn fdeinet, weil man ja nimmermehr alle Bucher felbft in Danben und für Augen hat liegen gehabt; einfolglich gar leichte geschen tonnen , bag man einem anbern einen Sehler nachschreiben fonnen ober muffen. 2Bolte aber baber jemanb Uniaf nehmen das Buch zu tadeln und zu ftriegeln, ben bitte ich fo vermunfftig zu banbeln, und vorbero einen Berfud zu thun, wie leidte ober fdwer es mit folder Arbeit bergebe, alebenn wird er fich entschlieffen zu tabein ober nicht. feinesweges hierburch fagen, bag mein Buch voll Febler fen; fonbern nur, wenn fich einige über Bermuthen barinnen finden folten, bag man nicht fo gleich bas Mauf barüber gerreiffen; fondern bedenden moge, wie fewer es bergebe ben bergleichen Arbeit alle Rebier zu vermeiben. Solte aber bennoch iemand einen Saupt Strifum anzeigen, ober ein umd amberes Buch, welches er befaffe ober felbft herausgegeben, barinnen nicht finden, und er wolte fich die Mube nicht verbrieffen laffen ben auter Gelegenheit, mir foldes nebif ben bevgefügten nethigen Limifanben ber Safrrablen, bes Formats, bes Orts und Berlegers, nebif benen Bogen, au fimfftiger Berbefferung und Supplirung an mich überfenden, demfelben wird, nebft mir, ohne allen Zweifel, auch bie gelehrte Belt, hochlich bafür verbunden fenn, umb ba es etwas erflectliches austragen folte, fo wurde man auch bie Bemulung nicht ohne reelle Erfanntlichfeit annehmen. Es haben moar einige von meinen herren Blaubens. Benoffen mein bifefaltiges Dorhaben gemisbilliget, wieberrathen, ja gar mit aller Lift zu hintertreiben gefüchet,

aefuchet, wenn fie aber verstanden, zum wenigsten reistich überleget batten, daß es ibnen felbft, und bem Buchbandel überhaupt weit groffern Rugen als Schaben bringen werbe, so wurden sie so umweise nicht gehandelt, soudern es vielmehr zu befordern gefudet haben, indem ohne allen Streit gewiß, bag ben einem Buchhandler die Biffenichafft und Ranntnig berer Bucher Die rechte Geele und bas gange Leben, und basjenige fen, was ihn Dugen fchaffen, und womit er ber gelehrten Welt an fliglichffen bienen fonne. 230 andere ber fommt es, als aus biefem Mangel, daß fo viele Chartequen gum Drud beforbert, Belb und Pappier baburd binweg gefreffen, und der Nersag und wieder Aufdrückung von manchem auten und gelehrten Buche werbinbert und unterlaffen wird, als weil man untviffend in folden Dingen iff. Und ich fan nicht laugnen, bag mir mandymabl big aufe Roden geedelt, wenn ich in Meg-Beiten einen folden Charcoquen-Buft habe anfeben muffen. 3d mochte bergleichen Berleger wohl fragen; Bas für Musen fie von folden Dingen waen? Affs nicht an bem ? fie koftenauch Belb, es wird ihnen etwan, wenn fie neu, ein Drittheil ober bie Delffte bavon gegen andere Charcoquen abgenommen, nach ber Beit bleibt bas übrige für die Burg. Danbler und Rafe. Rrahmer zu Rauffe. Barum fammlet man nicht lieber bas Belb und leget es an ein rechtschaffen Bud. bas niemable verbirbet und bavon man beffern Musen gieben, und der Beit mehr dienen fan ? Damit es aber nicht bas Unfeben gewinne, ob wolte ich bie Klugen lehren, fo foweige ich biervon ftille, und wuniche nur, baf fie ben Berffand hierinnen beffer zu Rathe zieben moditen. Bon bem Bercfe ift noch gurude ber g. Theil, in welchem bie Buder und Autores, fo in Frangofifcher, Italienifcher, Spanifcher, Englifder und Portugielifden Sprache herausgefonnum find, ber fich wenigftens noch auf 5. bis 6. Allphabet belauffen wird, welchen ich biefem Commer, fo es GOtt geliebt, ins Reine bringen, und bem Drud ebenfalle übergeben werbe. Die fünfftigen Supplemente werben entweber alle s. ober 10. Jahre heraustemmen, nachdem fichs unt ber Collection ber Mille vertobnen wird, biefelben wird der Berkger a parte brucken und benenjenigen, fo biefe Edition befisen, jum Berfauffe überlaffen, jeboch auch bielelbigen ben einer neuen Auflage ber geborigen Ordnung mit einverleiben. Die Bucher ohne Autores find, wenn fie feinen speciellen Eittel haben, unter ihre Materien ober Substantiva aetragen. Geliche hat man doppelt eintragen muffen, damit fie besto gewiffer aufzuschlagen find. forberffe Rahl zeiget bas Rahr an, wenn bas Bud gebrucht, bie gleich barneben fichenbe, bie Repetition, bie hinderfte erfte zeiget die Bogen an, und die lette ben Preif.

South für ich entifeliefen, mein Spannunter Spieler-Momorial, bas fill eit ich Jush, bezimmen dem Zweisa berre Spuschinder, mad Ortmung bes Highelbert zu fürben, in richtige Ortmung zu beimgen, ehne kurze gefüllt Gennlogie berer Zwießbaublungen babezguffigen und beracht zu kaffen. Zwießfie deur mit befer mehre tievelt verguigt zu fenn, mer dare bei mit den, nor brande fin des feller. Zie bander SDrit, baß er mit Kehen, Orthindelen um Sträfte bagtu verlichen, umb einstigle mich bern geneigen Refer zu gumt Mühredin. Erwigs bei 11-5 zu feller 17-42.

Theophilus GeorgI, Budbanbler biefelbit.
